SCHOOL SOLUTION SOFTWARE

Cubicle Technologies

Technology Complete...

Cubicle Technologies established in Nov, 2007 is a Service Oriented firm helping Individuals and organizations to improve their performance and increase sales. We provide a solid foundation for most software vendors and software-enabled businesses, ranging from start-ups to established industry leaders in Health Care, Insurance, Finance, and Real Estate domains.

We offer unique web solutions like Product Design, Product Maintenance, Website Design, Website Development, Search Engine Optimization, Placement and E-Marketing.

We're a highly responsive and responsible team of individuals dedicated to helping our clients improve their bottom line. We're highly experienced technologists, consistently working to develop new, innovative, and more effective ways to foster services using technology.

We have the skills, experience and expertise to give best results.

The screenshot shows the homepage of Cubicle Technologies. At the top, there's a navigation bar with links: Why Cubicle?, Careers, Cubicle Contact, Sitemap, and Technology Complete... (highlighted in blue). Below the navigation is a banner with a sunset landscape and the text "The way to success" and "Take the best corporate deal!". To the right of the banner is a search bar with "Google" and "Search" buttons. A sidebar on the left contains sections for "Latest News" (with a link to "Read More"), "Upcoming Events" (with a link to "Read More"), and "Customer Speak" (with a link to "Read More"). The main content area has three columns: "Our Technology" (describing various software and tools), "Our Services" (listing services like website development, strategic planning, and consulting), and "Our Expertise" (listing expertise areas like enterprise applications integration, CRM, and SOA). At the bottom, there's a footer with links to Privacy Policy, Home, About Cubicle, Cubicle Services, Cubicle Expertise, News & Events, Careers, Why Cubicle, Contact Cubicle, and Sitemap.
